

Binary Division

Giannacco

Binary Division is similar to Decimal Division, except the answer between every step can only be 1 or 0

$$\begin{array}{r} 00100111 \\ 101 \overline{) 11000011} \\ \underline{-101} \\ 1000 \\ \underline{-101} \\ 0111 \\ \underline{-101} \\ 0101 \\ \underline{-101} \\ 000 \end{array}$$
